Steps

- Take the 2 pieces of 12,5 x 18 cm / $4 \frac{15}{16}$ x $7 \frac{1}{8}$ inch cardstock. Score both pieces of cardstock (on the horizontal side of the paper) at 2,5 cm / 1 inch.
- Take the Gift Bags and stick strips of washi tape on the 'right' side of the Gift Bags, approx. 2,5 cm / 1 inch from the bottom of the gift bag.
- Put the Gift Bags, with the opening of the bags to the right, in between the front and back cover of the mini-album. Make sure the score lines on the front and back cover are on the left side.
- Punch two holes through the entire stack (front and back cover with gift bags in between).
- Take a piece of ribbon and thread it through the holes. Make a bow or knot on the front side of the album.
- Take the mats for the front and back cover and stick these on the front and back cover. Don't cover the score lines.
- Embellish the front cover to your liking.
- Take the 4 pieces of cardstock to make your cards, add the card mats to the cards. Finish each card with stamps, scraps of cardstock/dsp and/or embellishments.
